From Pembrokeshire

Head towards St Clears on the A40. When you get to St Clears Roundabout, where you will see the Little Chef, take the exit into St Clears. At the traffic lights, turn left and take the right fork towards Llangynin.

Follow the brown signs for Llety Cynin Leisure Club. This will bring you past some new houses on the left hand side. A little further ahead you will come under a railway bridge and then up hill.

Follow the road and once it becomes straighter you will see the Lolfa Cynin sign on your right hand side. Turn in here, drive down the road past the farm house on your right. Drive past the building and park on the other side.
